

## Sponsorship Opportunities for the the Divine Project

The temple has instilled several sponsorship programs that will enable you to participate in the divine project, in your own desired manner. Here are the current sponsorship programs.

**Your contribution of \$500 or more can be made towards one of the projects mentioned below.**

We solicit your strong support in accelerating the realization of our common vision of enhancing the Temple structure. Maha Ganapati Temple of Arizona requests each family to sponsor at least one of the items listed, in the name of their family or a beloved one. Your contribution today will stay as a prized possession permanently in the Temple and be cherished for generations to come. We sincerely appreciate your past support and once again request your help towards the Phase II development of the divine project.
