"We feel especially close to this temple as our founder Gurudeva, Sivaya Subramuniaswami presented and blessed the Hindu community of Phoenix with the Ganesha Murti as well as I was present at the Kumbhabhishekam in 2008. Many blessings from Kailasa Parampara to all who participate in your Maha Kumbhabhishekam celebration. And congratulations on the fact that a six-foot Sri Anjaneya will be consecrated for the first time in Arizona.

"A glimpse of 11 deities duly consecrated in one temple complex is a boon to the devotees and others living in Arizona. Many saints, poets and scriptures have repeatedly glorified the sanctity of such a special darshan. The sanctity of the Deities gets instilled by kumbhabhishekam and the spiritual vibration generated through strict adherence of Agama rules without any deviation will certainly confer all mundane and spiritual benefits of several pious deeds or penance for ages to devotees."
